MEMORANDUM TO: Board of Transportation Members
FROM: Sandy Nance *Sandy Nance*
SUBJECT: Road & Bridge Naming Procedures

At their May meeting, the Road & Bridge Naming Committee members made some revisions to the procedures used for the honorary naming of state owned roads and bridges. Attached is a copy of the current procedures for your information.

The revisions include: 1) if the designee is recently deceased, the request will be reviewed after a one year waiting period, 2) requests for duplicate family members will be reviewed on a case by case basis, and 3) titles are not included on signage except for certain designations as determined by the committee (i.e. Trooper, Governor, Congressman). As always, the committee reviews each submittal on its own merit and any special considerations requested by the local governments.

Please let me know if you have any questions regarding the Road & Bridge Naming Procedures or need assistance with any local requests you may receive.
